

Pasadena Hills

Winter - December 2018
CITY HALL NEWSLETTER

Welcome to the Holiday Season in Pasadena Hills. We have a few things to pass along to you in a timely manner. Enclosed you will find the invitation for the annual Holiday Party at the Hunt House on Natural Bridge, across from the Normandy City Hall, on December 16 from 4:00 till 7:00 p.m.. This is a potluck event, so please bring a favorite dish or dessert to share with your fellow residents. The Hunt House is a beautiful venue and volunteers decorate it with pride. Parking is available at the Hunt House and across the street.

ELECTION NOTICE

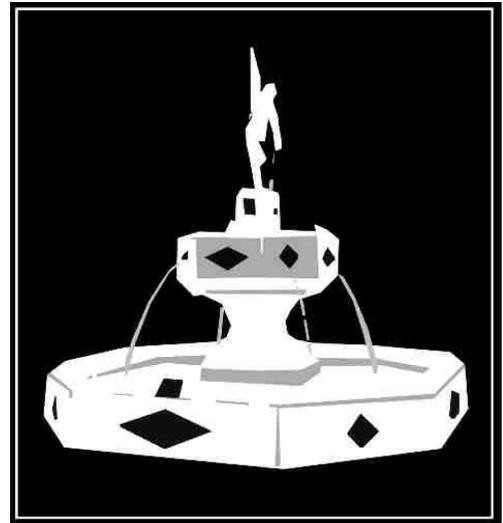

April seems far down the road, but it's not really. On April 2nd we will be holding a non-partisan election for the position of Mayor and for one Alderman per ward. Filing for these positions begins at 8:00 a.m. on Tuesday December 11 and concludes at 5:00 p.m. on January 15. Residency and age requirements for running can be explained at city hall during regular business hours. The city recently sent out an email blast with election details. If you're not on the email list and would like to receive these timely and informative notifications, please provide Eye-Liza with your email address.

POLICE COVERAGE

We would like to introduce our new Normandy police day officer, **Corporal Brett Bowling**. He cruises the city in the new silver & blue squad car. Please introduce yourself and welcome him to the neighborhood.

VOLUNTEERS BRING NEW ENERGY TO EVENTS

Backing up, the city wants to gratefully acknowledge and compliment the new volunteer Events Committee that formed last summer. They organized back-to-back events in September and October and are now doing the holiday party. The **Fall Festival** at the pond on September 30 was a wonderful and well-attended event with lots of new residents. The weather was perfect and the food was even better. Once again, resident **Readus Miller** provided music

from under the hillside trees. The restored pond & deck area - Roland Park - is truly one of the two gems of the city, along with the fountain plaza. Together, they provide beautiful locations for warm-weather outside events.

And that brings me to the October 28 **Halloween Chili Cook-Off** at the fountain plaza. This was a first-time event and it's a winner. First Prize in the not-too-serious competition went to **Alderwoman Cynthia McCarthy** with her chili-cornbread combo. **Don Moore** won Second Prize with his orthodox "no-beans" Texan chili and I (**John Odell**) won Third Prize - so very proud - with my Boilermaker's Tailgate chili.

In no particular order, members of this new energetic and creative Events Committee include **Alderwomen Cynthia McCarthy** and **Betty Moore, Kathy Hamre, Cheryl Renee Griffin, Urlene Branch, Lynn Hibbeler, Christine O'Brian** and **Patricia Lavin** among others. This group would welcome new members as they plan for 2019.

Volunteerism is what keeps Pasadena Hills such a great community to live in. Spring really isn't that far off. Both of the volunteer garden groups would welcome new member as well. There will be a neighborhood clean-up event in March or early April.

LIGHT NEWS

The city recently completed the conversion of our street lights to 10-watt LED lamps from the old 40-watt standard lamps. The new lamps have the same soft amber color, cover the same amount of ground, and have 14-year life spans. The city will recognize considerable energy savings from this conversion.

Hope to see many of you at the Hunt House on December 16. And as always, please be mindful of your neighbors during these cold winter weeks, especially the elderly, and just as mindful of your pets.

If other volunteers would like to do events of a different kind, please contact city hall, or come to the December city hall meeting on the 19th. We're looking for a whole new generation of volunteers to step up. Attending a city event is only half the fun. Organizing it is the other half – great fun and a great way get to know your neighbors and fellow residents.
